Good Morning Brooke,

Would 11 a.m. Tuesday, August 23 work for you?

If that works, can you send me the MS Teams invite?

Respectfully,

Keith D. Hass, MPH

Keith,

We have been working to determine if any information OSHA has will be helpful to us. There are some concerns. Would you be available for a meeting with us and our counsel to discuss what information you all have that may be helpful? We had previously discusses the Health impacts/concerns and the sampling.

For us Monday before 2, or Tuesday 10:30 to 12:30 works. Hopefully, you have 30 minutes or so that we could chat.

Thanks,

Brooke

Good Morning Brooke,

I have spoken with our Regional Office and Solicitor's Office regarding the process for sharing the TAV files.

I would like to set up a quick Teams call to discuss the process.

I am available next week up to 1 p.m. due to a class except for Monday, I am not available.

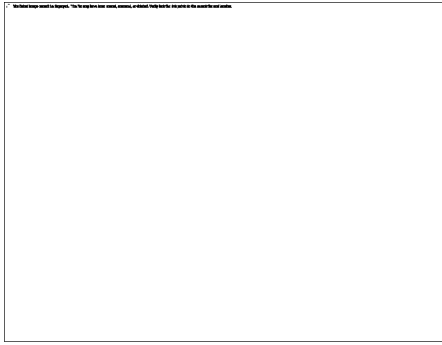

I do have Wednesday open all day.

Please let me know what day and time works for you and I will set up a meeting.

Respectfully,
